

## NVS-PB1

Panic Button

## Box Content

1 x Panic Button

1 x User Manual

## Before Using for the First Time

### **Register the panic button in the alarm system**

Switch to Connection Mode on the control panel. Then press SOS key on the SOS Tag. The control panel beeps once: it is registered. If you hear two beeps, it has already been connected.

## Usage

Key	Operation	Function
	<b>Panic</b>	Triggers the alarm regardless the status of the alarm system. The control panel dials the stored phone numbers.

## Specifications

### Power Supply:

DC 3V (CR2025 button battery x1)

### Operation current:

≤7 mA

### Transmission distance:

≤ 80 m (in open area)

### Radio-frequency:

433MHz (±75KHz)

### Housing material:

ABS plastic

### Operating conditions:

Temperature:  
-10°C ~ +55°C

Relative Humidity:  
≤80%  
(non-condensing)

### Dimensions:

57 x 31 x 11 mm

## LED indications

### **Blinks once**

Sends transmitting signal

### **Low light**

Low battery, replace the battery immediately

# Standards

This product bears the selective sorting symbol for waste electrical and electronic equipment (WEEE). This means that this product must be handled pursuant to European Directive 2002/96/EC in order to be recycled or dismantled to minimize its impact on the environment. For further information, please contact your local or regional authorities. Electronic products not included in the selective sorting process are potentially dangerous for the environment and human health due to the presence of hazardous substances.

In compliance with European laws. This product is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU (RED).

This product was designed and manufactured in compliance with Directive 2011/65/EU of the European Parliament and of the Council on the restriction of use of certain hazardous substances in electrical and electronic equipment (RoHS Directive - RoHS) and is deemed to comply with the maximum concentration values set by the European Technical Adaptation Committee (TAC).

Manufactured in China.
