HD1080P Wire-Free Security Camera

Introduction

The EZVIZ Wire-Free camera lets you watch over your home and any other place from your phone or tablet. EZVIZ Wire-Free Camera comes with adjustable motion sensors, so you can focus on the most important areas of your yard. When anyone triggers your motion, you'll get an instant alert on your phone. Answer the alert, you can see, hear and speak to people in front of the camera from anywhere. With EZVIZ Wire-Free Camera, you can also use live view to get on-demand streaming video and two-way audio, so you can check-in on your property at anytime. And with its built-in night vision sensors and weather-resistant design, you can protect your home around the clock – day or night, rain or shine. You'll also get a free 7-day for one month trial of cloud video recording, so you can save, review and share your videos at anytime with anyone. And with the complimentary tool kit and setup guide, you'll have your EZVIZ Wire-Free Camera installed in just minutes. Whether you're on vacation halfway around the world, or having party with friends, EZVIZ lets you feel safe and relaxed.
